Endurasprint™: The Answer to Easy Integration for Pharmacy Thermal Document Printing

Print Technology
- **Printer type:** Direct thermal
- **Print length range:** 0.25” – 99” (6mm – 2540mm); values vary with printer configuration

Physical Characteristics
- **Dimensions and weights:**
  - 8” X series: 59 lbs. (26.8 kg)
  - 16.4”h x 17.0”w x 19.3”d (415 x 433 x 489mm)
- **Operating temperature:** 32°F to 100°F (0°C to 38°C)
- **Storage temperature:** 0°F to 140°F (-17°C to 60°C)
- **Humidity:** 10% – 95% non-condensing
- **Power source:**
  - Auto-sensing 90-132 or 180-264 VAC @ 47-63Hz
- **On-board real time clock**
- **Graphic touchscreen display**
- **Construction:** Metal cabinet, clear side window to easily monitor media supply levels

Integration
- **Communication Interfaces**
  - USB 2.0 Device
  - 10/100 Base-T Ethernet
  - Applicator GP I/O & Serial (RS-232C)
  - USB Host connection
- **Network/Software support:**
  - DHCP, TCP/IP, UDP, DNS, BOOTP, NTP, SSH
  - SNMP Robust MIB
  - Embedded Configurator: Resident printer configuration tool
  - Embedded Network web pages
  - Drivers: Windows®, XP, Windows® 7
  - Network Management is done with your standard HP Compatible network management tools. Works with HP Openview®, Tivoli® and others.
- **Encryption Protocol**
  - AES 256 for secure data transmission
  - Apple
  - Works with MacOS
  - SAP® Printer Vendor Program.

Barcodes/Fonts/Graphics
- **Bar Codes**
- **Fonts**
  - 50 standard resident scalable fonts
- **Downloadable Font Types**
  - True-Type, PCL Bitmap (300 dpi)
- **PCL Macros**
  - Multiple PCL Macros can be store in flash
  - Overlay Macros can be used and stored in flash
- **Graphics**
  - Full support of PCL5e and GL/2 graphics capability is provided. (Support of various host based file formats such as PCX, BMP are not part of the PCL5e standard but are supported and converted by standard applications) Industry standard printer language HP PJL, HP PCL 5e, and HP GL/2, printer languages with auto language select in addition to extensions for barcode. Also provides standard bi-directional communications capabilities.

Options
- **Cutter**
- **Output Tray**

Warranty
- **Printer:** 1 year (including platen roller and installed options)
- **Printhead:** 1 year or 1,000,000 inches whichever comes first
- **Contact sales representative for extended warranty options**
