Welcome to PDC Healthcare

For more than 55 years, PDC Healthcare has been the world's leading provider of identification solutions for the safe and efficient management of patients. Designed with both patient and caregiver in mind, our products help enhance efficiencies, while saving time and resources so caregivers can spend more time on patient care.

PDC Healthcare's wide variety of Medical Records & Supplies includes products for Medical Records, Imaging, Mammography and Radiology Skin Markers, Digital Media Solutions, and many more! While our products are economically priced, they are backed by PDC Healthcare's high quality standards to provide the most durable, reliable, and highest performing products available.

Most products are available in a large array of sizes, colors, and designs; and many can be customized to meet your exact specifications. Just ask your PDC Healthcare sales representative, who is ready to serve you. You can also shop online at our new website: **www.pdchealthcare.com**.

Service You Can Count On.... Easy Ordering Options.

PDC Healthcare understands the business challenges of today's healthcare organizations like no other company. Our customers receive expert consultation and service from seasoned specialists in the industry. Our integrated Customer Service and Account Management Teams provide 100% customer satisfaction—before, during, and after your order.

Choose from multiple ordering options:

- EDI (Electronic Data Interchange) via GHX (Global Healthcare Exchange) ordering offers improved efficiency, cost savings, and accuracy while streamlining operations
- Toll-Free Customer Service is available at **800.435.4242** and **info@pdchealthcare.com**
- Order our products online at **www.pdchealthcare.com**

A Passion for Patient Safety

With as many as one million people injured from errors during hospital treatment each year,* patient safety continues to be among the healthcare industry's top priorities. PDC Healthcare's positive identification solutions help healthcare institutions protect patients, reduce risk, and adopt best practices to achieve compliance with important regulations, as listed below. In fact, the top rated and safest hospitals in the U.S. choose and rely on PDC Healthcare products and services.**

■ The Joint Commission National Patient Safety Goals

- Identify Patients Correctly
- Prevent Infection
- Improve Staff Communication
- Identify Patient Safety Risks
- Use Medicines Safely
- Prevent Mistakes in Surgery

■ Centers for Medicare & Medicaid Services (CMS) for Stage 2 Meaningful Use Requirements

■ Health Insurance Portability and Accountability Act (HIPAA) for protection of patient privacy

■ Food and Drug Administration (FDA) for patient identification

■ American Health Association (AHA) to reduce the risk of lost or transferred data

Innovation and Expertise

As the pioneer of patient identification, PDC Healthcare's list of "product firsts" is unparalleled—innovative technologies that continue to shape and move patient identification forward:

- First single-piece patient wristband
- First imprinter wristband
- First colored labeling (Time Tape®)
- First bar code wristband
- First wristband for newborns and family members (SnugFit®)
- First thermal printer wristband (ScanBand®)
- First Smart Band® RFID wristband system
- First DuraPrint® non-overlay laser printable ID system
- First Conf-ID-ent™ In-a-Snap® alert clasps

Radiopaque

Radiolucent — NO BURNOUT™

U.S. Patent No. 7,602,883

NEW! Swirl Collection™ Skin Markers

U.S. Patent No. 7,602,883

A portion of our proceeds
will be donated to the
American Cancer Society.

Customers prefer PDC Healthcare Spee-D-Mark™ skin markers!

"The Sheila R. Veloz Breast Imaging Center has been purchasing Spee-D-Mark™ skin markers from PDC Healthcare for many years. Our facility performs primarily digital mammograms; we have been pleased to learn that all of their skin markers are designed to work with both digital and analog technologies.

PDC Healthcare has developed new products to assist us in our mission to better serve our patients. Their new radiolucent skin markers were designed to provide clear identification and prevent burnout. We will continue to purchase the Spee-D-Mark™ skin markers from PDC Healthcare for all of our skin marking needs."

Terry Bucknall
Director of Women's Imaging Services
Sheila R. Veloz Breast Imaging Center

QUALITY CONTROL

SPEE-D-WIPES™/SPEE-D-CLEAN™ PROCESSOR SHEETS

PDC Healthcare Spee-D-Wipes™ — Absorbent, lint-free and cost effective!

- Made from a soft specially blended anti-static cellulose/polyester material
- Rid screens of dirt and dust particles which can cause artifacts

Product Number	Description	Qty.
MAM-340	Lint-Free Wipes (9" x 9")	100/Box

The ACR recommends:

Use a "lint-free gauze pad, equivalent lint-free cloth, or camel's hair brush to assure that cassettes and screens are free of dust and dirt particles that may degrade image quality."

ACR Committee on Quality Assurance

Clean processor transport rollers without removing them or using any hazardous chemicals.

- Unique moisture activated cleaning formulation strips away the "scuzzies" from any size transport rollers in a single pass without removing the rack
- Eliminates the need for hazardous chemicals use

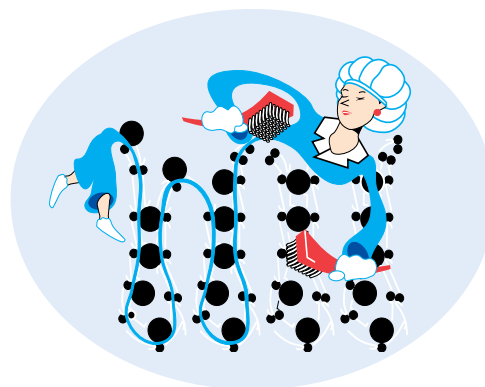

Spee-D-Clean™ Processor Sheets

- Same quality as Easy Clean™
- 9% Lower cost

Product Number	Size	Qty.
SC1417	14" x 17"	50 Sheets/Box

Easy Clean™ Processor Sheets

Product Number	Size	Qty.
EC-1417	14" x 17"	50 Sheets/Box

Run a sheet through your film processor for "scrub brush clean" rollers and artifact free images. Economical to use – less wasted film and less downtime to reduce your operating costs.

Markers for Digital Imaging

Make accurate comparisons between life-size (what you see) and image size (what you get). Designed for Teleradiology and CR Imaging, where the image size does not always match the life-size of the anatomy.

The image of the unique ruler gives a visual and measurable cue as to the size of the screen image compared to the life size of the anatomy.

- Each marker has a 3cm lead ruler
- Color-coded: L-Blue / R-Red
- High density lead characters

PATIENT EDUCATION

EDUCATIONAL PROCEDURE BROCHURES/BROCHURE HOLDERS

Patient information brochures 2-in-1 English and Spanish in ONE BROCHURE for BIG SAVINGS!

- Improves staff efficiency and instill patient confidence
- Plus, you save money with reduced inventory!
- Imprint area: 2-3/4"W x 1-1/4"H up to 5 lines
- Brochure folds to 3-1/2"W x 8-1/2"H
- 5 pack minimum order
- Typesetting fee will be charged on first or changed order

"Peace of Mind" brochures — What's inside?

"What is CT?"
Describes the procedure

"What are the benefits of CT SCAN?"
Reinforces why the patient needs the procedure

"What are the risks of CT SCAN?"
Educates without alarming the patient

"What will the exam be like?"
Explains what will happen in simple clear language so the patient is less apprehensive

"Illustrations"
Increase understanding with simple drawings

"How should I prepare for the exam?"
Reminds the patient of important preparation steps

"What does the equipment look like?"
Familiarizes the patient to increase their comfort level

"How will I learn the results?"
Confirms the healthcare provider's role in informing the patient

"Remember"
Reinforces key points before and after the procedure

"Questions to ask"
Decreases the likelihood for callbacks with questions

MSD65	Zeiss MD	65mm	44" x 65"	

PATIENT/CAREGIVER SAFETY

PROBE COVERS

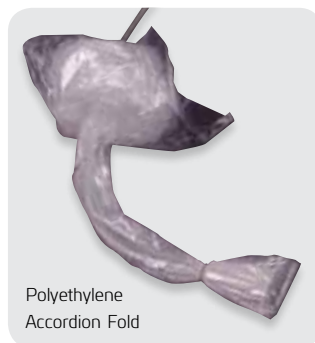

General Purpose Probe Covers

Reduce cross-contamination risk when performing routine puncture and drainage procedures. Select from flat fold or telescopic fold, CIV-Flex or Polyethylene.

Intraoperative Probe Covers

Extend the sterile field in operating rooms and surgi-suites by covering surgical transducers. Accordion fold.

Flat Fold Endocavity Probe Covers

Use in all prostate, rectal and vaginal procedures. Provides a barrier to reduce cross-contamination risks. Select from flat fold or rolled.

Rolled Endocavity Probe Covers

These CIV-Flex or Polyethylene probe covers are acoustically transparent, soft and comfortable for patients.

S = Sterile Pack, NS = Non-Sterile Pack, IP = Individually Packaged

FLAT FOLD - Folded end over end

TELESCOPIC FOLD - Material is folded within itself, but not rolled. This facilitates both gel application, and transducer insertion.

ACCORDION FOLD - Gathered, the Surgi Intraoperative covers provide distortion-free scanning and extend the length of the transducer cord for up to eight feet of sterile protection in the OR suite.

For a complete line of ultrasound products, see page 92.

Positioning Aids

- **STANDARD** – the most economical positioning aid – available in all designs. It is soft and artifact-free.
- **STAY-DRY** – a positioning aid with maximum resilience, strength and stability. It repels liquid – just wipe clean such substances as blood, barium and other agents. It is artifact-free and has a high drag coefficient which reduces slippage for easy patient management.

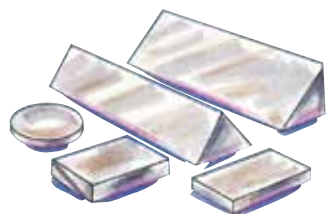

Chemical agents roll off Stay-Dry surface like rain on a roof. Easily wipes clean with soap and water!

6 Piece Starter Set

PATIENT PROCEDURES

PROCEDURE TRAYS

Basic Procedure Tray

The paper-poly-paper fenestrated drapes guarantee impermeability, absorbency and low lint level.

Includes —

- 25G x 5/8" needle
- 18G x 1-1/2" needle
- 20cc LL syringe
- 5cc LL syringe
- 1% Lidocaine HCl, 5ml
- 3" x 3" gauze pads (3)
- PVP swabsticks (3)
- 18" x 18" fenestrated 2-3/4" window drape* with adhesive tab
- 17" x 19" towel*
- Adhesive bandage
- Sterile indicator

Product Number	Qty.
STJ-474	10/Case

*Disposable paper-poly-paper.

Arthrogram Procedure Tray

This pre-assembled sterile arthrogram tray is effectively organized to optimize procedural efficiency for accelerated patient flow.

Includes —

- 25G x 5/8" needle
- 21G x 1-1/2" needle
- 20G x 1-1/2" needle
- 18G x 1-1/2" needle
- 30cc LL syringe
- 10cc LL syringe
- 5cc LL syringe
- 1% Lidocaine HCl, 5ml
- 3" x 3" gauze pads (5)
- 18" x 18" fenestrated 2-3/4" window drape* with adhesive tab
- 17" x 19" towel*
- 20" extension set
- Applicators (3)
- Adhesive bandage
- Sterile indicator

Product Number	Qty.
STJ-471	10/Case

*Disposable paper-poly-paper.

Biopsy Tray

Specially designed to provide all the components necessary to prep and anesthetize the procedure area.

Includes —

- 25G x 5/8" needle
- 22G x 1-1/2" needle
- 18G x 2" blunt needle
- 10cc LL syringes (2)
- 1% Lidocaine HCl, 5ml (2)
- #11 scalpel assembly
- 3" x 3" gauze pads (3)
- 8" ruler, paper
- 18" x 18" fenestrated 2-3/4" window drape* with adhesive tab
- 17" x 19" towel*
- PVP swabsticks (3)
- Alcohol swabstick
- Adhesive bandage
- Sterile indicator

Product Number	Qty.
MAM-378	10/Case

*Disposable paper-poly-paper.

Biopsy Tray

Helps speed and simplify biopsy procedures.

Includes —

- 25G x 5/8" needle
- 22G x 1-1/2" needle
- 18G x 2" blunt needle
- 10cc LL syringes (2)
- 1% Lidocaine HCl, 5ml (2)
- #11 scalpel, mini
- 3" x 3" 12 ply gauze pads (5)
- 8" ruler, plastic
- 16-1/2" x 18-1/2" towels, paper (2)
- 17-1/2" x 25" fenestrated 2-3/4" window drape* with adhesive tab
- PVP swabsticks (3)
- Alcohol swabstick
- Adhesive bandage
- Needle stop
- Foam block needle counter
- Sterile indicator

Product Number	Qty.
MAM-491	5/Case

*Disposable paper-poly-paper.

Breast Biopsy Localization Tray

Designed to facilitate breast biopsy localization — saving you time.

Includes —

- 25G x 5/8" needle
- 22G x 1-1/2" needle
- 18G x 1-1/2" needle
- 10cc LL syringe
- 5cc LL syringe
- 1% Lidocaine HCl, 5ml
- 4" x 4" gauze pads (5)
- 8" ruler, paper
- 18" x 18" fenestrated 2-3/4" window drape* with adhesive tab
- 17" x 19" towel*
- PVP swabsticks (3)
- Alcohol swabsticks (2)
- Wound closure strip 1/2" x 4"
- Sterile indicator

Product Number	Qty.
MAM-379	10/Case

*Disposable paper-poly-paper.

All Purpose Skin Prep Tray

Specially prepared to contain everything required to prep the skin prior to percutaneous procedures.

Includes —

- 25G x 5/8" needle
- 22G x 1-1/2" needle
- 18G x 2" blunt needle
- 20cc LL syringe
- 5cc LL syringe
- 1% Lidocaine HCl, 5ml
- #11 scalpel, mini
- 3" x 3" gauze pads (5)
- 18" x 18" fenestrated 2-3/4" window drape* with adhesive tab
- 17" x 19" towels* (2)
- Applicators (3)
- Alcohol swabstick
- Adhesive bandage
- Sterile indicator

Oversized Mammography Ponchos

- Accommodates full-figured patients

Product Number	Material	Color	Closure	Size	Qty.
PP-981	Non-woven	Blue	Snap Closure	45" x 48"	50/Case

Our disposables are available in a wide selection of materials!

2-Ply & 3-Ply Tissue
An economical fabric that features fluid absorbency and supple comfort. Recommended for shorter procedures.

3-Ply Tissue/Poly/Tissue
Fluid-proof poly film is laminated between two layers of soft, absorbent tissue. More durable than standard tissue.

Non-woven Fabric
Bonded man-made fibers, offering strength, softness and durability. Ideally suited for lengthy procedures.

NEGATIVE PRESERVERS

The image displays a variety of film processing envelopes, each designed for specific use in a radiology department. The envelopes are color-coded and labeled as follows:

- XPOEGY1 (Grey):** Standard size with a top section for patient information and a bottom section for a signature. The text "SIGN OUT ALL FILMS BEFORE REMOVING FROM RADIOLOGY DEPARTMENT" is printed at the bottom.
- XPOEGN1 (Green):** Standard size, identical in layout to XPOEGY1.
- XPOER1 (Red):** Standard size, identical in layout to XPOEGY1.
- XPOE1 (Orange):** Smaller size, identical in layout to the standard envelopes.
- XPOE2 (Orange):** Larger size, identical in layout to the standard envelopes.
- XPOEBN1 (Orange):** Standard size, identical in layout to the standard envelopes.
- XPOE4 (Orange):** The largest envelope, featuring a "FILM RECORD" table at the bottom. The table has columns for DATE OUT, LOANED TO, XRAY DESCRIPTION, and DATE RETURNED. The text "SIGN OUT ALL FILMS BEFORE REMOVING FROM RADIOLOGY DEPARTMENT" is printed at the bottom.

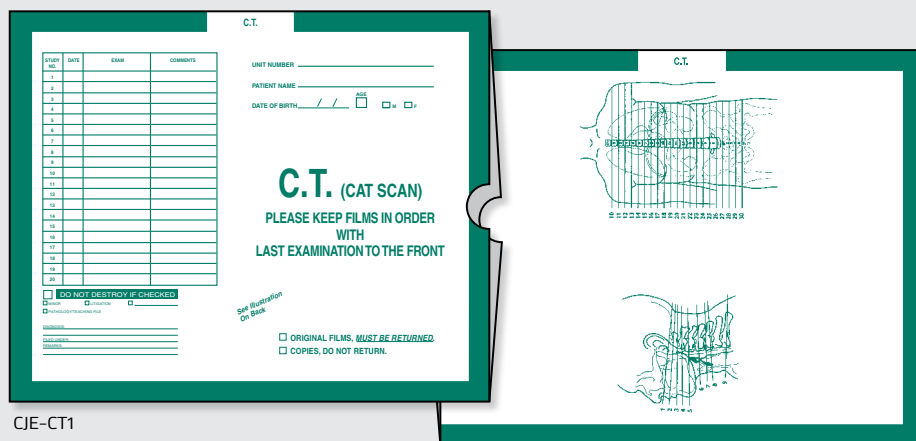

- | Product Number | Description | Size | Print | Opening Location | Weight/Stock | Qty. |

X-RAY FILM MAILERS

Never lose an
X-ray film again!

Our X-ray film mailing system assures loan films get
back into your permanent record files!

It's as easy as 1, 2, 3!

1. Apply the **RED** outgoing label (59701453) to the address area on the outside of the envelope.

2. Prevent lost films — place the **PLEASE RETURN** label (59701258) with your pre-printed facility name and address, on your film.

3. Place the **GREEN** return label (59701454) inside the envelope with your outgoing films to ensure your films are returned.

1. Outgoing Label

59701453 - White/Red (P)

Size	Qty.
3-7/8" x 3-1/4"	500/Roll

First time only typesetting charge.

2. Return Label

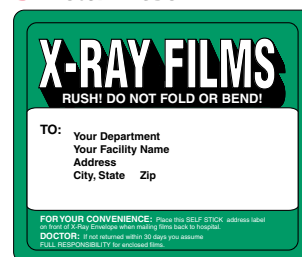

59701258 - White/Red (P)

Size	Qty.
2-7/8" x 7/8"	1,000/Roll

First time only typesetting charge.

(P) = Permanent Adhesive

3. Return Label

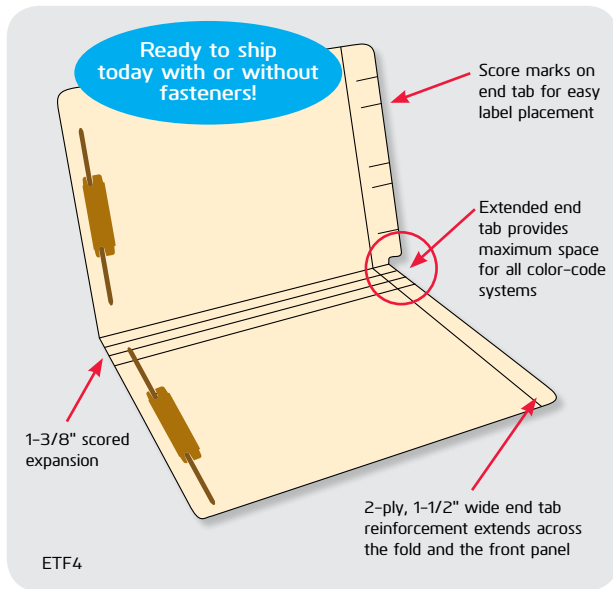

59701454 - White/Green (P)

Size	Qty.
3-7/8" x 3-1/4"	500/Roll

First time only typesetting charge.

Mylar Reinforcement Strips

Repair and protect all of your folders and jackets with Mylar reinforcement strips — it will **DOUBLE** their shelf-life!

These durable strips are made from a clear, non-yellowing polyester material. Made to last, they are tear and puncture resistant with a permanent acrylic adhesive.

- Apply to new folders to prevent tearing at stress points
- Apply to old folders to repair torn edges and bottoms
- Do it yourself or call for low factory installed pricing

All of the labels and tapes shown on this page have permanent adhesive.

Medi-Clip – the ultimate self-adhesive fastener

(2-3/4" center to center)

- 3-piece design provides easy insertion/removal of documents
- Paperwork remains in alignment
- Allows folder to open flat for easy copying
- Saves time!

How to use Medi-Clip

Step 1:

Slide flexible tubing from under compressor bar grippers.

Step 2:

Find access point and lift all preceding pages onto extension piece.

Step 3:

Turn front pages to left, forming an arch with tubing and extension piece.

Step 4:

Pull extension piece out of the tubing.

Step 5:

Add or remove pages as needed.

Step 6:

Re-insert extension piece into tubing.

Step 7:

Replace pages by sliding them down the extension piece.

Step 8:

Slide tubing back under compressor bar grippers.

Broad based 2" capacity self-adhesive fastener

- Fastener bonded to self-adhesive white tag base (1-1/2" x 7-1/2")

BB2B

Metal self-adhesive 1" or 2" fasteners

- Installs directly onto folder surface or insert through slits in folder for maximum strength!

1ABF

2ABF

Foam clip 1-1/2" capacity self-adhesive fastener

- Tear resistant fabric

FC

Steel compressor bar

- Works with all metal fasteners shown above

S1746-1

Fastener sold separately.

Tip-Clip™ broad based self-adhesive fastener

Crimped ends to accommodate TCRB removal bar. Removal bar keeps paperwork aligned allowing the user to add and remove documents quickly and easily. One TCRB removal bar included with each order.

TCRB

TCBB-2B

Embedded metal 1" or 2" capacity fastener

- Clinched into folder from the outside and secured into slots with 8 tabs
- Provides super strength!

Available factory installed only.
Call (800) 435-4242 for details!

VISITOR PASS

VISITOR PASS BADGES & WRISTBANDS

Quick-Tab TIMEbadge® Expiring Badge

- Valid for one full-day before displaying an identifiable "VOID"
- Easy-to-use, just fold bottom edge and the badge is activated
- Available in manual (handwritten) or Printable (Direct Thermal) versions

NEW!

For Handwritten Badge

EXPBDG-17 - White/Red (R)

Badge Size	Core	Qty.
2-7/8" x 1-7/8"	Fanfold	500/PK

For Print-on-Demand Badge

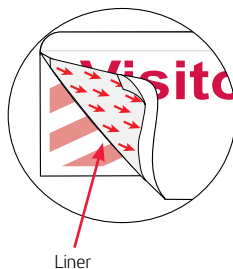

EXPBDG-18 - White/Red (R)

Dymo Printer compatible.

Badge Size	Core	Wound	Material/Adhesive	Qty.
2-7/8" x 1-7/8"	1"	Out	Direct Thermal/Removable	200/RL-5RL/PK

EXPBDG-2 - White/Red (R)

Liner

One-Step Expiring Badge

These patented expiring visitor badges are white when issued to the visitor.

After 1 day has passed, red lines appear showing the visitor pass has expired.

- Front part and expiration indicator back part are already connected and aligned
- Just remove the liner in between the two parts to activate

Badge Size	Qty.
3" x 2"	1,000/PK

(P) = Permanent Adhesive
(R) = Removable Adhesive

Secure tamper-evident adhesive closure prevents reuse of wristband when removed.

PATIENT PROCEDURES

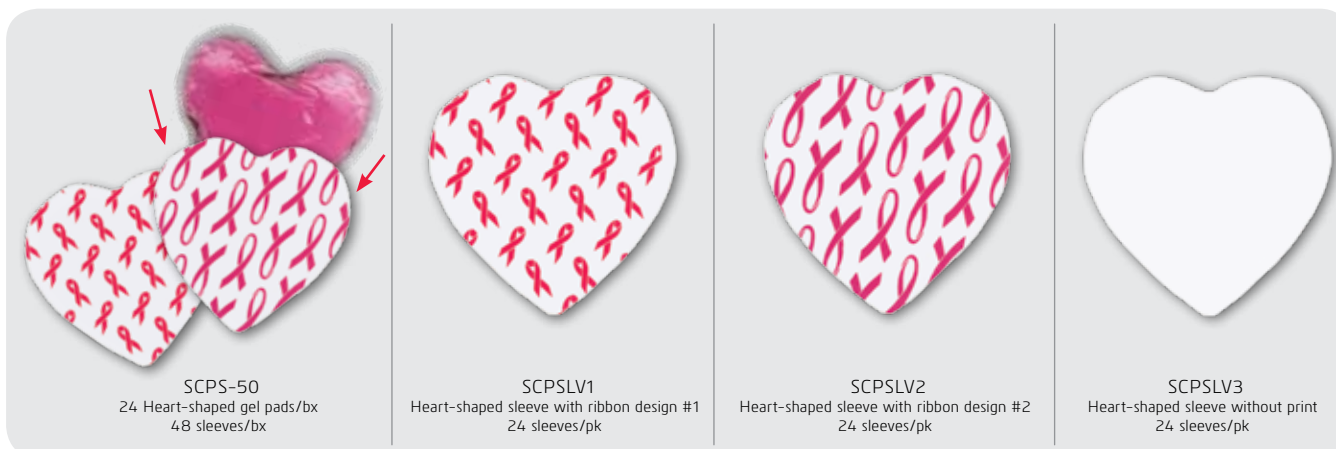

A Fresh Approach to Cold Therapy

Spee-D-Cool™ Gel Pad with Removable Sleeves

Our new heart-shaped gel pads with sleeves offer a fresh cover as needed during patient recovery. Removable sleeves prolong the use of gel pads.

Spee-D-Cool™ gel pads with sleeves offer the same functionality as our original gel pads, with the added benefit of extended reusability. Gel pads can be placed within a soft brushed fabric sleeve, eliminating the shock of initial contact. Plastic gel pads can be easily cleaned with soap and water. Each gel pad comes with 2 fabric sleeves, one of each design.

Product Number	Description	Qty.
SCPS-50	Heart-shaped Gel Pads with Sleeves	24 Gel Pads & 48 Sleeves/Box
SCPSLV1	Heart-shaped Sleeves — Design 1	24 Sleeves/Pack
SCPSLV2	Heart-shaped Sleeves — Design 2	24 Sleeves/Pack
SCPSLV3	Heart-shaped Sleeves — No Print	24 Sleeves/Pack

Rapid Relief® Instant Cold Pack

Unlike other instant cold packs, Rapid Relief® Gentle Touch™ technology allows you to place the cold pack directly against the skin without the need for a wrap or towel.

- Gentle Touch™ technology — direct to skin application
- Soft and comfortable; ideal for sensitive skin
- FTP technology — easy activation—simply fold in half
- Convenient and portable — for use anywhere at any time
- Instantly achieves 35° F —when activated at room temperature

Product Number	Qty.
SCP46	24/Case

Spee-D-Cool™ Gel Pads reduce patient discomfort before & after a biopsy

Soft and pliable even when frozen.

- Its soft rounded edge conforms naturally to a woman's anatomy
- Provides 30 minutes of soothing cold therapy
- The soft brushed fabric surface acts as a thermal buffer to eliminate the shock of initial contact — no need to protect the skin with a thick gauze pad
- Slim design allows pad to be worn under clothing without being noticed
- 3" circle includes latex-free adhesive strips for secure positioning
- Available in 2 sizes; 4" quadrant also available in tropical design and with custom imprint
- Latex-free

Product Number	Description	Size	Qty.

Postmortem ID & Containment

PDC Healthcare is the preferred choice for identification, storage, and containment of cadavers. Our ankle bands and postmortem bag products provide peace-of-mind while meeting the respectful standards desired in caring for the deceased. Secure tri-laminate ankle bands are available in adhesive closure with assorted colors to aid with classification. Cadaver bags and kits are available in curved and straight zipper design. Select curved or straight zipper designs. Zippers are rustproof.

ORTHOPEDICS

CAST WALKERS

OrthoPro™ Cast Walker with rigid metal struts

- **Rigid metal struts** – for more secure immobilization and durability
- **Uprights are bowed at the ankle** – to accommodate tender and swollen ankles
- **Pronounced rocker sole** – provides a more natural gait by naturally carrying patient's motion forward
- **Super low profile** – to reduce heel height discrepancy. Helps keep hips and knees in alignment
- **Padded double wide straps** – provide comfortable immobilization from top to bottom

Product Number	Description	Qty.
ORT-OPW0000XX	OrthoPro™ Cast Walker with Metal Struts	1 Each

Sizes: (S) **Small:** fits Women's shoe size 4 – 8-1/2, Men's shoe size 3 – 7-1/2. (ML) **Medium/Large:** fits Women's shoe size 9 – 13-1/2, Men's shoe size 8 – 12-1/2. (XL) **X-Large:** fits Men's shoe size 13 – 16-1/2.

To select your size, replace the gray X with the size code shown above.

Lite-Foot™ Cast Walker is the lightest weightcast walker available

- **Lightweight** – Only 29 ounces for the small.
- **Flexible composite struts** – can be spread open to allow easy application and secure support.
- **Wider design** – more space between the struts accommodates swollen ankles and extra bandaging if necessary
- **More stable** – The wider, flatter sole has a larger footprint, resulting in a more stable gait. Non-slip tread outsole
- **Thicker cushioned heel** – absorbs impact at heel strike to increase comfort and reduce lower leg stress

Product Number	Description	Qty.
ORT-LFX	Lite Foot™ Cast Walker	1 Each
ORT-LTX	Lite Foot™ Cast Walker – Low Top	1 Each

Sizes: (S) **Small:** fits Women's shoe size 4 – 8-1/2, Men's shoe size 3 – 7-1/2. (M) **Medium/Large:** fits Women's shoe size 9 – 13-1/2, Men's shoe size 8 – 12-1/2. (X) **X-Large:** fits Men's shoe size 13 – 16-1/2.

To select your size, replace the gray X with the size code shown above.

High top all-weather cast boot

- Covers the ankle and conforms to both synthetic and plaster casting materials
- Padded angled rocker sole absorbs shock from heel strike to protect hips and knees for a more natural gait

Product Number	Description	Qty.
CB-PCX	High Top Poly Cast Boot	1 Each

Size: (PED) **Pediatric,** (XS) **X-Small** 7-1/2" L x 3-5/8" W, (S) **Small** 9-3/8" L x 4-1/4" W, (M) **Medium** 10-1/2" L x 4-7/4" W, (L) **Large** 11" L x 4-7/8" W, (XL) **X-Large** 12-5/8" L x 5-3/8" W.

To select your size, replace the gray X with the size code shown above.

Semi-rigid sole for a natural gait

- Padded nylon mesh upper for breathability
- Reinforced heel counter for a snug fit
- One buckle contact closure for easy application and fit

To select your size, replace the gray X with the size code shown above.

Synthetic Spee-D-Wrap™ Cast Padding

- Synthetic material will not absorb moisture or support bacterial growth that leads to maceration
- Tears easily — eliminating undue constriction
- Conforms easily — avoiding uncomfortable wrinkles
- Stays cool and absorbent under both synthetic and plaster casts for versatility and convenience
- Available in 4 yard lengths

Product Number	Description	Qty.
ORT-876	2" Width	12 Rolls/Bag
ORT-877	3" Width	12 Rolls/Bag
ORT-878	4" Width	12 Rolls/Bag
ORT-879	6" Width	6 Rolls/Bag

Synthetic Spee-D-Wrap™ Stockinette

Our Spee-D-Wrap™ stockinette has unusually dense stitching and ribbed knitting — assuring superior memory and support.

- Acts as the perfect cushion for preventing casts from rubbing against the skin
- "Finishes" the cast ends

Product Number	Description	Qty.
ORT-895	3" Width	25 Yards/Box
ORT-896	4" Width	
ORT-900	6" Width	

Aquashield® — the most effective watertight cast protectors available!

Available
for Half
and Full
Arm

AQSHA

- **Slip Resistant** — The non-slip sole on leg models provides excellent traction on wet and slippery surfaces.
- **Watertight** — A continuous seal allows the Aquashield® to be completely submersible, even when swimming!
- **Indestructible** — Tough polyurethane won't tear or rip. It's so tough it will outlast the cast or the bandaging!
- **Easy To Use** — Applies easily with one hand. No cutting or sizing required.

Available
for Half
and Full
Leg

AQSHL

Aquashield® for Half and Full Arm			
Product Number	Description	Circumference	Qty.

TERMS & CONDITIONS

PDC HEALTHCARE

Price and Payment Terms

Payment terms are net 30 days. Credit application may be required for terms. State and local taxes, if applicable, will be included when invoiced.

PDC Healthcare accepts American Express, Mastercard, Visa, and check. All prices are in U.S. dollars. Foreign import duties and exchange rates, if any, are the responsibility of the customer.

Freight

Freight terms are Pre-Pay & Add.

Terms of sale – FOB Destination Freight Pre-Paid and Charged Back.

Custom Products Orders

- As custom product is made to the customers' exact specifications, custom product may not be returned.
- Customer assumes sole responsibility for accuracy and use of artwork and indemnifies PDC Healthcare in the event of any claims for copyright infringement. By signing/approving any artwork, customer certifies that they are legally authorized to use such logos, trade names, or trademarks.
- **Medical Records Products/Imaging Products:** To ensure accuracy, we ask that all orders for custom imprinted products be submitted in writing, accompanied by a copy or actual sample of imprint. Minimum quantities may be required.
- Please call Customer Care at **800.435.4242** for an Artwork Form or go to the "Artwork Specifications" section of the PDC Healthcare web site: www.pdchealthcare.com.
- **Label & Tape Products:** PDC Healthcare has the capability to produce custom labels to your specifications. Please call your local PDC Healthcare sales representative or Customer Care for additional information and assistance at **800.435.4242**. Please allow 15 working days for new custom orders and 10 working days for repeats.
- Due to manufacturing fluctuations on custom labels, we reserve the right to ship +/- 10% of the quantity ordered. Invoices will be adjusted to reflect the actual quantity shipped.
- Upon cancellation of a custom order, once a purchase order has been issued, the customer will be responsible for all production charges accrued through the date of notification of cancellation. PDC Healthcare assumes no responsibility for custom label orders on which the customer has made an error in quantity or label specifications.

Returns Policy

PDC Healthcare will allow returns under the following conditions:

- When the customer orders in error and the product is not older than 60 days from the date of invoice.
- Return freight is the responsibility of the customer.
- A 15% restocking fee will be assessed for all products.
- Customer will receive credit for original order, excluding any freight charges.
- When a PDC Healthcare error or product defect occurs, if reported to PDC Healthcare within 60 days from the date of invoice, full credit, including freight, will be issued. (Excludes pre-established contracts between PDC Healthcare and Group Purchasing Organizations)
- All returns for credit require a written Return Merchandise Authorization (RMA) number from PDC Healthcare. No returns will be accepted without a RMA number. The RMA number must have supporting paperwork indicating original purchase order number, PDC Healthcare sales order number, date of original order, etc. If a return is submitted without an RMA number, product will be refused and sent back to the customer at customer's expense.
- Call tags will be issued for customers with the exception of large shipments or pallets. The decision to issue call tags will be based on the reason for the return for large shipments or pallets.
- Call tags will only be issued to Distributors if PDC Healthcare is at fault.
- International Customers will be responsible for sending product back unless it is a PDC Healthcare error.
- Custom printed or serialized product is not returnable.
- Merchandise must be returned in full boxes, original packaging and in good condition.
- Authorized returns must be received by PDC Healthcare within 30 working days from the date of RMA issuance.
- If there is any loss or damage at the time of delivery, it is essential to note it on the delivery receipt. Any concealed damage should be reported to the delivering carrier within 15 days. Keeping the entire package is necessary until after the carrier issues a concealed damage inspection report.

Warranty

Products sold are of merchantable quality at the time they are delivered, and are manufactured in conformance with supplier's specifications, drawings, or other descriptions; and that supplier conveys good and marketable title to them, subject to supplier's security interest.

PDC Healthcare warrants against defects in material, workmanship, design, and manufacturing. Supplier further represents and warrants that the products will conform to the specifications, drawing, and samples furnished by Healthcare and will be safe for their intended use. If any products are defective and a claim is made, PDC Healthcare will replace the defective products. PDC Healthcare will bear all costs of returning and replacing the defective products.

To the maximum extent permitted by applicable law, PDC Healthcare disclaims all other warranties, expressed or implied, including but not limited to implied warranties of title, non-infringement, merchantability, and fitness for a particular purpose with respect to the products.

PDC Healthcare makes no other warranties other than those expressly provided for herein. In no event shall PDC Healthcare be liable for an incidental, special, consequential, or punitive damages related to the wristbands, labels or tape and component parts used with its products.

**Excludes pre-established contracts between PDC Healthcare and Group Purchasing Organizations or customers.*

Quality Process = Quality Care

Every company talks about quality. But not every company makes the kind of investments in people, process improvement, and technology that PDC Healthcare does to ensure unmatched quality in all that we do.

As part of our mission to provide defect-free, medical-grade quality products, every product we produce is born of thousands of hours of rigorous research and testing to provide the most durable, reliable, safest, and highest-performing products available.

In addition, our company constantly strives to understand our customers' needs through vehicles such as our comprehensive Customer Survey Program. Through close and continuous interaction between customer and company, we can better ensure that your needs and views are clearly understood and fulfilled.

That's been the PDC Healthcare way for more than 55 years.

Mission Statement

PDC connects people, products, and technology through innovative ID solutions that deliver superior customer experiences worldwide.
