

# A TRUSTED PARTNER FOR EPIC EHR CONVERSIONS

## Solutions & Support For a Seamless Go-Live

As a leading provider and innovator of identification solutions, PDC has more than 65 years of experience successfully serving healthcare organizations. Our expansive identification portfolio enables worry-free identification workflows, giving clinicians the freedom to focus on patient care. This makes us uniquely positioned to support healthcare organizations as they work through EPIC conversions and implementations.

### Why Partner with PDC

- **Comprehensive Product Portfolio:** Thermal printers, barcode readers, medical labels, and patient ID wristbands for a full solution
- **Nationwide Support:** Local field sales and knowledgeable technical team for seamless implementations
- **Proven Expertise:** Extensive experience with large health system EHR transitions
- **GPO Partnerships:** Contracts with Healthtrust, Vizient, and Premier for competitive pricing and cost savings
- **A Trusted Healthcare Supplier:** Chosen as a supplier by 90% of US hospitals
