for the whole value analysis team.

PATIENT ID PORTFOLIO

# DOES YOUR CURRENT WRISTBAND TRULY MEET THE NEEDS OF YOUR ENTIRE ORGANIZATION?

EVERY PATIENT, PROCEDURE, AND DEPARTMENT RELY UPON YOUR HOSPITAL'S WRISTBAND. CHOOSING THE RIGHT ONE MATTERS AND WILL HELP YOU:

Reduce  
Patient ID  
Errors

Improve  
Workflow  
Efficiency

Increase  
Patient Care  
Time & Staff  
Satisfaction

Increase  
Patient  
Safety &  
Satisfaction

Reduce  
Costs

Improve  
Contract  
Compliance

PDC developed an all-new portfolio of patient identification wristbands that offers the perfect fit for every hospital department's priorities.

For more than 65 years, PDC has been the patient identification expert. Choose PDC as your partner, and help everyone in your organization band together.

## THE PERFECT FIT FOR YOUR ENTIRE ORGANIZATION.

- » Provides value-driven solutions for greater cost-savings and contract compliance
- » Dependable identification for patient safety and satisfaction
- » Reliable and easy for clinicians to use

## HIGH QUALITY. HIGH PERFORMANCE.

- » Material science meets intelligent design to maximize print durability, patient comfort, and performance
- » Withstands water and common hospital solvents
- » Superior scanning
- » Latex-free, phthalate-free

## CONVENIENCE. COMPATIBILITY.

- » Direct drop-in replacement formats require minimal IT support
- » Compatible with all leading printers

# LASER WRISTBANDS

Convenient combination of patient ID wristband and labels in one easy-to-use solution. Compatible with all laser printers and available in multiple drop-in formats for simple setup and printing. Unique materials protect patient information and provide superior print quality and durability.

## DuraProtect® Superior Protection, Simplified Process

Laminate shield ensures around the clock protection and prevents fading, smearing, and smudging

Unique peel off design eliminates complicated assembly and provides easier caregiver application

Soft film material improves patient comfort

Lower cost alternative to leading laser laminate wristbands

## DuraProtect® TenderCare®

Mother/Father/Baby style helps ensure every newborn is properly identified and matched to their parent(s)

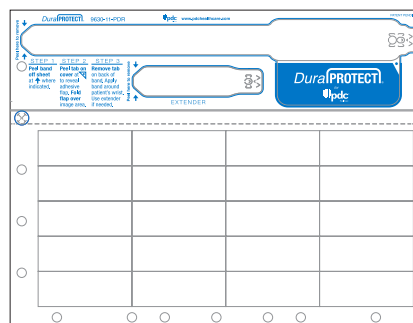

To learn more about DuraProtect® visit [pdchealthcare.com/duraprotect](http://pdchealthcare.com/duraprotect).

# Thermal Printers

## Patient ID Wristband and Label Printing

**DESIGNED FOR HEALTHCARE TO WORK  
AS HARD AS YOU DO**

Available in both desktop and mobile styles

Seamless EMR integration with Epic, Cerner, MediTech, and more

Reliable performance validated by thousands of hours of testing

Industry's most competitive printer warranties at up to 3 years

# Code® Barcode Readers

## Barcode Scanning for Increased Patient Safety

**SCANNERS WON'T SLOW WORKFLOWS**

Save critical seconds by reading any barcode, in any condition on virtually anything

Disinfectant-ready CodeShield® plastics outlast "antibacterial plastics" by withstanding routine sanitation and healthcare-grade cleaners — devices won't yellow, crack or fail prematurely

Remote firmware updates keep devices current — greater convenience, greater value

Mission-critical barcode readers are ready to ship — stop waiting, start scanning
