A Brady Business **BRADY**

Innovative Materials Help Protect Patient Identification

Wristbands are used on every patient in your hospital.

Ensure patient ID is not at risk with paper-based wristbands.

The DuraProtect™ line of laser wristbands surpasses wristbands of yesterday with technology and innovation. Engineered with advanced synthetic materials and intelligent design, DuraProtect™ delivers optimized performance, reliability, and ease-of-use.

Synthetic material combined with a protective cover withstands:

Fading

Moisture

Rubbing

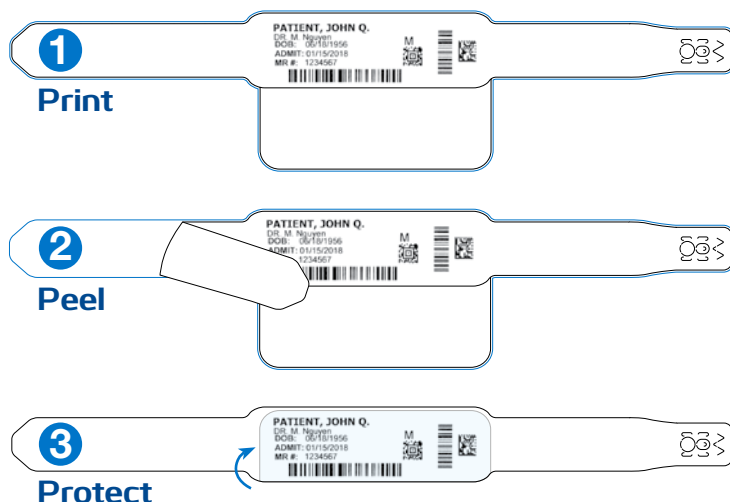

Alcohol

Hand Sanitizer

Superior Protection, Simplified Process

Unique print-and-peel design simplifies assembly.

High Performance, Low Cost

FEATURE	BENEFIT
Paper-free construction	Highly durable
Laminate shield	Protects for reliable scanning
Exclusive peel-off design	Easy to assemble, easy to use
Soft synthetic material	Patient comfort and durability
Drop-in replacement formats	Simple implementation
Lower cost	Supports hospital cost savings goals
