# DuraSoft® Laser

Printable Patient ID System Instructions

1 Print patient ID information and bar codes onto the DuraSoft sheet and remove it from your laser printer.

2 As indicated on the DuraSoft sheet, peel the wristband by starting at the adhesive tab.

3 As indicated, hold and tear at the perforation to remove the wristband from the sheet.

4 Apply wristband to patient's wrist and secure with adhesive closure. Be sure to leave enough room to ensure comfort and a secure fit.
