Compliance

PDC developed an all-new portfolio of patient identification wristbands that offers the perfect fit for every hospital department's priorities.

For more than 60 years, PDC has been the patient identification expert. Choose PDC as your partner, and help everyone in your organization band together.

THE PERFECT FIT FOR YOUR ENTIRE ORGANIZATION.

- » Provides value-driven solutions for greater cost-savings and contract compliance.
- » Dependable identification for patient safety and satisfaction.
- » Reliable and easy for clinicians to use.

HIGH QUALITY. HIGH PERFORMANCE.

- » Material science meets intelligent design to maximize print durability, patient comfort, and performance.
- » Withstands water and common hospital solvents.
- » Superior scanning.
- » Latex-free, phthalate-free.

CONVENIENCE. COMPATIBILITY.

- » Direct drop-in replacement formats require minimal IT support.
- » Compatible with all leading printers.

LASER WRISTBANDS

Convenient combination of patient ID wristband and labels in one easy-to-use solution. Compatible with all laser printers and available in multiple drop-in formats for simple setup and printing. Unique materials protect patient information and provide superior print quality and durability.

DuraProtect® Superior Protection, Simplified Process

Laminate shield ensures around the clock protection and prevents fading, smearing, and smudging

Unique peel off design eliminates complicated assembly and provides easier caregiver application

Soft film material improves patient comfort

Lower cost alternative to leading laser laminate wristbands

DuraProtect® TenderCare®

Mother/Father/Baby style helps ensure every newborn is properly identified and matched to their parent(s)

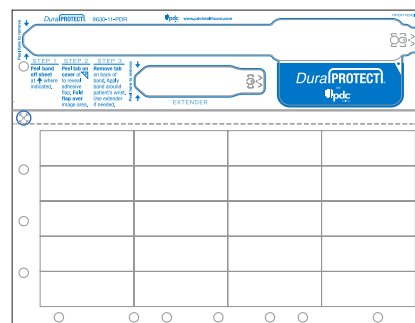

To learn more about DuraProtect® visit pdchealthcare.com/duraprotect.

DuraProtect®
