

V-NOTCH™ SECONDARY LABELS

Reduce specimen relabeling
by up to 80%

EASIER, MORE ACCURATE IDENTIFICATION OF BD VACUTAINER® PLUS PLASTIC BLOOD COLLECTION TUBES

Mislabeled specimens or inconsistent barcoding can compromise patient safety, increase costs, and waste valuable staff time and resources. The v-shaped notch of our V-Notch™ Specimen Labels aligns with the color-coded notch and sidebar of BD Vacutainer® Plus tubes to make labeling easier. They provide:

- Consistent & easy labeling guides
- Accurate & reliable bar code scanning
- Operational efficiencies that save time & money
- Increased clinician satisfaction & patient safety

✗ BEFORE

Provides correct and consistent label placement on BD Vacutainer® Plus Collection Tubes

✓ AFTER

Ensures accurate identification with aligned labels that scan easily and won't peel off unintentionally

HEAR FROM LAB PERSONNEL

Compatible with most direct thermal printers

"Prior to using V-Notch™, our staff was forced to re-label more than **90%** of our test tubes. Now that we're using V-Notch™, we're re-labeling fewer than **10%**. Plus, we're experiencing significant time and cost savings."

—Barbara Bush, Laboratory Manager
[University of Kentucky](#)

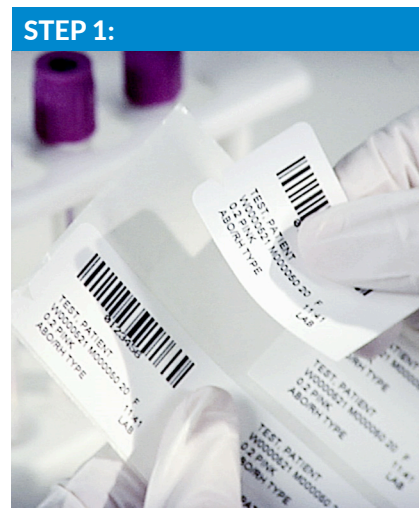

Easy Labeling Guides

"After switching to V-Notch™ labels, we increased our number of lab results by 290,000 over 3 years! That's a **14%** increase in productivity. On top of that, we reduced test tube label costs by **6%**."

V-Notch™ helped us reduce expenses, increase efficiency, and maintain our focus on patient safety and quality care."

—Dawn D. Moore, Laboratory Director
[Piedmont Hospital, Atlanta, GA](#)

3 EASY STEPS FOR ACCURATE IDENTIFICATION

Peel your V-Notch™ Secondary Label from the liner.

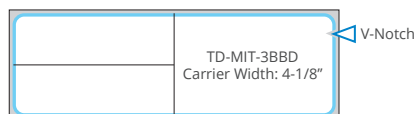

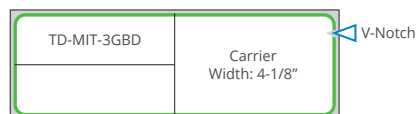

Visually align the V-Notch™ with the color-coded notch on the BD Vacutainer® Plus Plastic Tube.

Before you apply the V-Notch™ Secondary label, make sure the color-coded notch and the color-coded sidebar on the BD Vacutainer® Plus Plastic Tube are clearly visible. Smoothly wrap the label around the tube.

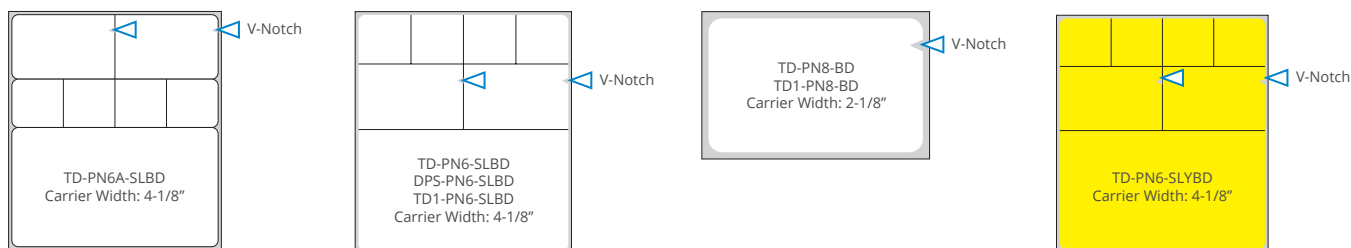

Mediatech V-Notch™ Labels

PRODUCT NUMBER	LABEL SIZE	CORE SIZE	QTY.	MATERIAL/ADHESIVE
TD-MIT-3BD	4" X 1-1/4"	3"	3,600/RL/-1RL/BX	Direct Thermal/Permanent
